Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule 1.322 and 1.323.

An error on a patent can be corrected by a certificate of correction, if appropriate. Accordingly, a petition under C.F.R. 1.182 is required to correct the alleged error concerning the inventor's address. Since this information is printed solely in accordance with the typewritten information provided on the Declaration, Oath or ADS, and since the error was the result of applicant's failure to comply with the requirement that the complete and correct information be provided accordingly; correction is not warranted consideration under the provisions of Rules 37 CFR 1.322. Consideration under 37 CFR 1.323 in this case should be filed with a petition under 37 CFR. 1.182.

However, a petition under 37 CFR 1.182 should be directed to the attention of the Assistant Commissioner for Patents using the following mailing address or FAX number.
